

# Notice of Exemption

---

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), Bob's Gas 2018 Limited is exempted from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 (the HS Regulations) for the requirements to have a design-verification compliance certificate, cylinder pre-commissioning compliance certificate and a cylinder import compliance certificate in respect to the Faber cylinders with the serial numbers 18/1662/010 and 18/1662/014, subject to the following conditions.

Bob's Gas 2018 Limited must —

1. in accordance with regulation 15.40 and 15.60, stamp the two cylinders with the following information:
  - a. the approval number LAB7746SP
  - b. the station mark of the approved test station that marked the Faber cylinders with approval number LAB7746SP
  - c. the date the approval number LAB7746SP was marked on the cylinder
2. not stamp the approval number LAB7746SP on any other cylinder.

This exemption takes effect on **23/12/2025** and expires on **23/12/2030** unless it is sooner replaced or revoked.

Signed at Wellington this **16th** day of **December 2025**.
